

Directions to East Lothian Cottages

at Rentonhall Farm, 3 miles south of Haddington, East Lothian, EH41 4PD

(Warning: SatNav may take you just to the start of our drive!)

- Take the Abbotsview Junction off the A1 and into Haddington (A6093).
- Follow the road down Hardgate and straight over the crossroads by the lights.
- Don't follow the right-hand bend into the High Street; instead, continue straight on down Sidegate (signposted 'Gifford, Lauder, B6368').
- Follow the road over the bridge by the lights and out of Haddington.
- Continue on the same road, following signs for Gifford (now the B6369) and past the entrance to Lennoxlove House on your right.
- After a long and slightly downhill straight with a wall on your right, the road turns sharply left. Then, after another more level straight, it turns sharply right.
- Take the next left (signposted 'Morham, Garvald', as in the photo).
- About 600m ahead you'll see a couple of roadside cottages on your right. The drive to Rentonhall Farm is directly opposite, on the left (look for the signpost on the tree in the fork).
- Rentonhall Farm is the first building on the right, with a double green door flanked by bay trees.
- Follow the drive across the front of the farmhouse and on up to the left.
- The Muckle Snug is up ahead on the left, with parking just beyond.
- The Wee Bothy is opposite on the right. You can park in the garden, beyond the gate, or directly ahead up the tarmac drive (it's a dead end).
